Example

These tiered rates are applied as monthly usage increases. For example, a monthly bill for 15 units (a unit is 1,000 gallons) would be calculated as:

6 units @1.14/unit =	\$ 6.84
9 units @1.56/unit =	<u>\$14.04</u>
Usage	\$20.88
Base Rate	<u>\$12.00</u>
Total Monthly Bill	\$32.88
